The HEAD OF THE RIVER Regatta

In 1922 the public schools regatta "Head of the River" had its inception on the Torrens Lake as a result of a challenge between Saint Peters College and Adelaide High School. These two schools were later joined by Scotch College in 1927 and Prince Alfred College in 1931 and later by other schools.

Letter from the Host Principal

Welcome to the 2012 Head of the River.

Today's event is the culmination of a season of hard work and dedication by rowers, coaches and support teams, where the beauty and techniques involved in rowing are showcased.

School age rowing is a sport where the development of skills is cumulative and dependent on each individual giving their best effort and team work.

We hope that participation in rowing not only develops particular skills and techniques, but also provides opportunities for fun and enjoyment. In addition, we hope that many young rowers will continue their participation in the sport long after their school days.

Congratulations to the winning teams and to the rowers who achieved their personal best.

On behalf of all schools, I express acknowledgement and appreciation to Rowing SA, Uni SA and to the coaches, parents and all support teams which have enabled our young people to enjoy training and competition in the best possible conditions.

WEST LAKES

Rowing SA West Lakes Facility

With great vision, the SA Rowing Association and Foundation Life Members as well as other supporters (Union of Old Oarsmen & Resting Rowers Consortium) purchased land in 1972 at 100 Military Rd to start the West Lakes Aquatic Centre.

The first stage of the centre was constructed in 1978 and consisted of a social facility, kiosk, male and female change rooms, and a boat storage area. Various stages of building have taken place with Stage 5 of the building completed in 2003 at a cost of nearly \$1million. Funding for the construction of the centre to date has been provided by the SA Rowing Association, the occupying clubs/schools, Foundation Life Members, sponsors, success State Government grants, and the City of Charles Sturt.

A M. Ramsay Regatta Course

The late 1970's saw the design and construction of a course buoying system that, along pontoons for a held start, and a stretch of water eight lanes wide, 2400m long and at least 3.5m deep-enabled the course to gain FISA accreditation. This qualified the course and on shore facilities to be considered for national and international events such as the World Masters Rowing Championships held on the course in 1997.

Rowing SA hosted the Australian Rowing Championships in 2011 which was the first National event since 1999, when the National Championships were last held at West Lakes.

Rowing SA worked with the State Government to complete an upgrade of the regatta course facilities. A Feasibility Study was completed in 2005 and \$2.4million was allocated for the course upgrade in June 2007 by Minister Michael Wright. The construction is now completed and includes a fully buoyed/lane course including a start and finish pontoon.

Upgrade of the finishing tower has now been completed, along with a redevelopment of the Northern Reserve to include the Northern wash down area. Most recently an upgrade of the Clubrooms and kiosk has been completed culminating in the opening of The Lakes Boatshed Café & Function Room which is open to the public Tuesday to Sundays and available for function hire.
