The Head of the River Regatta

In 1922 the public schools regatta "Head of the River" had its inception on the Torrens Lake as a result of a challenge between Saint Peters College and Adelaide High School. These two schools were later joined by Scotch College in 1927 and Prince Alfred College in 1931 and later by other schools.

Letter from the Host Principal

Welcome to the 2013 Head of the River.

Prince Alfred College has a proud rowing tradition dating back to the commencement of a rowing program in 1883. It is my honour to be the Headmaster of a "Rowing School" and to preside over the continuation of our involvement in such a fine sport. It is with great pride that Prince Alfred College hosts the 2013 Head of the River Regatta.

Rowing is arguably the ultimate of team sports, requiring extreme individual strength and stamina while at the same time demanding precise timing and coordinated effort and technique. Strong bonds of crew comradeship are formed from the hours of dedicated training.

Today sees the culmination of a season of hard work, sacrifice, dedication and commitment from the rowers, coaches and families of all participants in the magnificent and colourful setting of the Head of the River regatta, a setting where boys and girls from 15 schools come together to compete at the highest level.

I wish all crews, boys and girls, from the Year 8/9 Es to the First VIII well in striving for success today.

On behalf of all schools, I would like to thank Rowing South Australia, the University of South Australia and the volunteers for what is sure to be a tremendous event.

Kevin Tutt
Headmaster, Prince Alfred College

Micheal Eastaughffe - Regatta Referee

The Referee for this Regatta, Michael Eastaughffe, is officiating at his last major event before moving interstate later in the year.

Michael is one of Australia's most competent and experienced administrators and officials. He commenced rowing at Christian Brothers College before joining Torrens Rowing Club where he held positions of President, Secretary, Treasurer and Captain. He has served South Australian Rowing as a member of the Executive Board since 1991, many of those years as Secretary, as well as State Team Manager and a huge involvement in the organisation of Australian Championship events. He has been South Australia's delegate/councillor to Rowing Australia since 1991.

Michael's administrative roles with Rowing Australia have included managing the Senior B Team for five years and the Senior A Team for three years, up to and including the 2000 Olympic Games. For the last eleven years he has been the Competition Manager/Technical Delegate for all of Rowing Australia's Championship Regattas.

Michael has been a SA Umpire (Boat Race Official) since 1991, a Rowing Australia Umpire since 1994 and a FISA (International) Umpire since 1997. He has umpired at a number of World Championship Regattas, culminating in the Paralympic Games in 2008, the World Championships in 2010 and the London Olympic Games in 2012.

Michael's huge contribution to the sport has been on a purely voluntary basis. This type of commitment is impossible to replace. He will be sorely missed.

West Lakes

Rowing SA West Lakes Facility

With great vision, the SA Rowing Association and Foundation Life Members as well as other supporters (Union of Old Oarsmen & Resting Rowers Consortium) purchased land in 1972 at 100 Military Rd to start the West Lakes Aquatic Centre.

The first stage of the centre was constructed in 1978 and consisted of a social facility, kiosk, male and female change rooms, and a boat storage area. Various stages of building have taken place with Stage 5 of the building completed in 2003 at a cost of nearly \$1million. Funding for the construction of the centre to date has been provided by the SA Rowing Association, the occupying clubs/schools, Foundation Life Members, sponsors, success State Government grants, and the City of Charles Sturt.

A.M. Ramsay Regatta Course

The late 1970's saw the design and construction of a course buoying system that, along pontoons for a held start, and a stretch of water eight lanes wide, 2400m long and at least 3.5m deep enabled the course to gain FISA accreditation. This qualified the course and on shore facilities to be considered for national and international events such as the World Masters Rowing Championships held on the course in 1997.

Rowing SA hosted the Australian Rowing Championships in 2011 which was the first National event since 1999, when the National Championships were last held at West Lakes.

Rowing SA worked with the State Government to complete an upgrade of the regatta course facilities. A Feasibility Study was completed in 2005 and \$2.4million was allocated for the course upgrade in June 2007 by Minister Michael Wright. The construction is now completed and includes a fully buoyed/lane course including a start and finish pontoon.

Upgrade of the finishing tower has now been completed, along with a redevelopment of the Northern Reserve to include the Northern wash down area. Most recently an upgrade of the Clubrooms and kiosk has been completed culminating in the opening of The Lakes Boatshed Café & Function Room which is open to the public Tuesday to Sundays and available for function hire.
