The Head of the River Regatta

In 1922 the public schools' regatta "Head of the River" had its inception on the Torrens Lake as a result of a challenge between Saint Peters College and Adelaide High School. These two schools were later joined by Scotch College in 1927 and Prince Alfred College in 1931 and later by other schools.

The records of Eights to 1931 are:

Date	Winner	Date	Winner	Date	Winner
1922	AHS	1927 Apr	SPSC	1929 Dec	SC
1923	SPSC	1927 Dec	SPSC	1930 Apr	SPSC
1924	SPSC	1928 Apr	SPSC	1930 Dec	SC
1925	SPSC	1928 Dec	SC	1931 Apr	SPSC
1926	AHS	1929 Apr	SPSC	1931 Dec	SPSC

Letter from the Host Principal

Welcome to the 2014 Schools' Head of the River Regatta

This is an exciting and greatly anticipated event that represents the culmination of intense training and preparation on the part of our competitors – it promises to be a memorable day.

Seymour College is privileged to be the host of the Head of the River Regatta this year. As a College we are very proud to be involved in rowing and our girls' participation and achievements in this engaging sport continue to go from strength-to-strength.

Congratulations to all of the crews competing today. They are well prepared by a combination of rigid training schedules and regattas. They have shown their discipline, dedication and commitment to improve, both on and off the water.

We warmly commend the dedication of the rowers and coxswains, their coaches and their schools. The parents and families (as well as the Boarding House staff in boarding schools) that support our competitors deserve a special mention; school rowers so often have a dedicated early riser in their life, willing to do the dawn drop off! All have contributed to making this Head of the River Regatta a tremendous sporting occasion.

I have no doubt that each crew will give of their very best in the competition today and draw strongly upon their courage, skill and grit.

While significant individual effort is required, rowing is of course a great team sport. It is therefore not surprising that rowers form strong bonds. For many of the students and parents, the friendships forged through this sport will be enduring – a fitting reward for their shared enthusiasm, determination and passion.

I wish all the crews and their coaches the very best today.

On behalf of all the Head of the River schools, I would like to thank Rowing South Australia, the University of South Australia and all the volunteers for helping to make this such a wonderful competition, and special community event.

Anne Johnstone
Principal, Seymour College

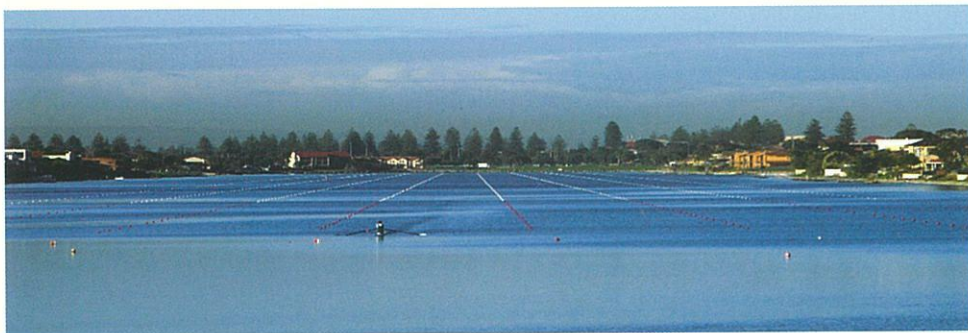

West Lakes

Rowing SA West Lakes Facility

With great vision, the SA Rowing Association and Foundation Life Members as well as other supporters (Union of Old Oarsmen & Resting Rowers Consortium) purchased land in 1972 at 100 Military Road to start the West Lakes Aquatic Centre.

The first stage of the centre was constructed in 1978 and consisted of a social facility, kiosk, male and female change rooms, and a boat storage area. Various stages of building have taken place with Stage 5 of the building completed in 2003 at a cost of nearly \$1 million. Funding for the construction of the centre to date has been provided by the SA Rowing Association, the occupying clubs/schools, Foundation Life Members, sponsors, State Government grants, and the City of Charles Sturt.

A M. Ramsay Regatta Course

The late 1970s saw the design and construction of a course buoying system that, along pontoons for a held start, and a stretch of water eight lanes wide, 2400m long and at least 3.5m deep enabled the course to gain FISA accreditation. This qualified the course and on shore facilities to be considered for national and international events such as the World Masters Rowing Championships held on the course in 1997.

Rowing SA hosted the Australian Rowing Championships in 2011 which was the first National event since 1999, when the National Championships were last held at West Lakes.

Rowing SA worked with the State Government to complete an upgrade of the regatta course facilities. A Feasibility Study was completed in 2005 and \$2.4 million was allocated for the course upgrade in June 2007 by the then Minister Michael Wright. The construction is now complete and includes a fully buoyed/lane course including a start and finish pontoon.

The finishing tower has been upgraded and the Northern Reserve has been redeveloped to include the Northern wash down area. Most recently, an upgrade of the Clubrooms and kiosk has been completed culminating in the opening of The Lakes Boatshed Café & Function Room which is open to the public Tuesday to Sundays and available for function hire.

University of South Australia wishes you the best of luck.

As a proud sponsor of the Schools' Head of the River Regatta, we wish all crew members and supporters a successful competition for 2014.
