The Head of the River Regatta

In 1922 the public schools' regatta 'Head of the River' had its inception on the Torrens Lake as a result of a challenge between Saint Peters College and Adelaide High School. These two schools were later joined by Scotch College in 1927 and Prince Alfred College in 1931 and later by other schools.

The records of Eights to 1931 are:

Date	Winner	Date	Winner	Date	Winner
1922	AHS	1927 Apr	SPSC	1929 Dec	SC
1923	SPSC	1927 Dec	SPSC	1930 Apr	SPSC
1924	SPSC	1928 Apr	SPSC	1930 Dec	SC
1925	SPSC	1928 Dec	SC	1931 Apr	SPSC
1926	AHS	1929 Apr	SPSC	1931 Dec	SPSC

Letter from the Host Principal

Welcome to the 2015 Schools' Head of the River Regatta

Welcome to the 2015 South Australian Head of the River Regatta.

Unley High School is proud to be the host school this year and to welcome everyone to a day of quality racing. Along with Adelaide and Norwood-Morialta High Schools, Unley represents the Department of Education and Child Development schools at Head of the River.

It is important to recognise the hard work and preparation on the part of both competitors and organisers essential to the success of this event. All schools and their teams, coaches, parents and supporters have witnessed the sustained effort needed to prepare for such a day. Team work is paramount in each of the roles, and while the commitment is evident throughout the year, it now reaches its peak.

The Regatta is also an opportunity to reflect on the history and tradition of School Rowing in this state. As host, Unley High School is pleased to build on the story of our school's involvement in this sport, beginning with a girls' rowing program in 1976, and a boys' program in 1977. Our Rowing Club flourished, and the Unley Under 15 Girls became the first crew to win a schoolgirls' race at a Head of the River Regatta. In 1987 the Schoolboys' VIII became only the second South Australian state school crew to win the Head of the River race since the Gosse Shield was first presented in 1932. Since then, the club has continued to compete with vigour, and rowing holds an important place in our school, as I am sure it does in the schools of all HOR teams. I would like to pay tribute to all members of our Rowing Club and to our Student Voice representatives and other volunteers who are taking on vital roles today.

To all crews – best wishes for an enjoyable, spirited, competitive and exciting day.

On behalf of each school involved in Head of the River, I would like to thank Rowing South Australia, the University of South Australia and all supporters for helping to make this event a great competition, and a worthy continuation of the strong traditions of rowing in our State.

Principal, Unley High School*

West Lakes

Rowing SA West Lakes Facility

With great vision, the SA Rowing Association and Foundation Life Members as well as other supporters (Union of Old Oarsmen & Resting Rowers Consortium) purchased land in 1972 at 100 Military Road to start the West Lakes Aquatic Centre.

The first stage of the centre was constructed in 1978 and consisted of a social facility, kiosk, male and female change rooms, and a boat storage area. Various stages of building have taken place with Stage 5 of the building completed in 2003 at a cost of nearly \$1 million. Funding for the construction of the centre to date has been provided by the SA Rowing Association, the occupying clubs/schools, Foundation Life Members, sponsors, State Government grants, and the City of Charles Sturt.

A M. Ramsay Regatta Course

The late 1970s saw the design and construction of a course buoying system that, along with pontoons for a held start, and a stretch of water eight lanes wide, 2400m long and at least 3.5m deep, enabled the course to gain FISA accreditation. This qualified the course and on shore facilities to be considered for national and international events such as the World Masters Rowing Championships held on the course in 1997.

Rowing SA hosted the Australian Rowing Championships in 2011 which was the first National event since 1999, when the National Championships were last held at West Lakes.

Rowing SA worked with the State Government to complete an upgrade of the regatta course facilities. A Feasibility Study was completed in 2005 and \$2.4 million was allocated for the course upgrade in June 2007 by the then Minister Michael Wright. The construction is now complete and includes a fully buoyed/lane course including a start and finish pontoon.

The finishing tower has been upgraded and the Northern Reserve has been redeveloped to include the Northern wash down area. Most recently, an upgrade of the Clubrooms and kiosk has been completed culminating in the opening of The Lakes Boatshed Café & Function Room which is open to the public Tuesday to Sundays and available for function hire.

University of South Australia wishes you the best of luck.

As a proud sponsor of the Schools' Head of the River Regatta, we wish all crew members and supporters a successful competition for 2015.
