Welcome to the Schools' Head of the River Regatta 2018.

I am delighted that Wilderness School has the honour of hosting the 2018 Head of the River Regatta.

This Regatta is the culmination of the South Australian Rowing Association Schools' season and is the most prestigious event on the calendar. The origins of the modern-day Head of the River trace back to 1922 and over many years has grown to the wonderful interschool competition we enjoy today.

Rowing is a unique sport: success demands a deep commitment to self and to the team. Rowers develop important life skills of personal health and fitness, teamwork, perseverance, resilience and leadership. These qualities build the character and integrity necessary to confidently take on the challenges of the future.

This year, there are over 1,000 students participating in the Head of the River Regatta. It is an occasion when our schools showcase the very best of our rowing talent. Today's races will be spirited and competitive, the trophies keenly pursued.

This event is only possible because of the many hours of service and volunteering from parents, coaches and teachers. They work tirelessly to prepare their students and I'm sure the students will join me in thanking them for all their efforts.

I welcome you to the 2018 Head of the River Regatta and look forward to seeing each crew doing their very best.
